24 ➔ Section 2. KRS 257.020 is amended to read as follows:

25 The board shall:

26 (1) Enforce the provisions of this chapter;

27 (2) Adopt and enforce such measures as it deems necessary to protect and promote the

1 livestock, poultry, fish, and animal industries~~[improve and protect the livestock~~
 2 ~~industry]~~;

3 (3) Prevent, control and eradicate any communicable disease of livestock, poultry, and
 4 fish;

5 (4) Investigate the prevalence of communicable diseases in livestock, poultry, and fish
 6 upon receipt of reports of such diseases;

7 (5) Issue such information~~[literature]~~ as it deems necessary for public distribution;

8 (6) Give information and instruction to farmers and breeders and feeders of livestock,
 9 poultry, and fish in the nature, cause, prevention and control of communicable
 10 diseases; and

11 (7) Regulate the importation, sale, use and distribution of products or material used in
 12 the diagnosis, treatment or prevention of animal~~[livestock]~~ diseases.

13 ➔Section 3. KRS 257.030 is amended to read as follows:

14 The board may:

15 (1) Cooperate with universities and other entities~~[the experiment station]~~ in
 16 conducting the necessary scientific investigations relating to the cause, nature,
 17 prevention and treatment of communicable diseases off~~[in]~~ livestock, poultry, and
 18 fish;

19 (2) Establish, maintain and enforce such quarantine and other measures as it deems
 20 necessary in controlling the movement of livestock, poultry, and fish into, through
 21 or within the state;

22 (3) Order and enforce the cleaning and disinfection of premises and all articles and
 23 materials by which communicable diseases may be transmitted, and the destruction
 24 of diseased and exposed animals and all such property and materials, as may be
 25 necessary in the eradication of disease;

26 (4) Adopt, issue and enforce~~[such]~~ regulations~~[as in its judgment may be]~~ necessary
 27 for the proper administration and enforcement of the provisions of this chapter, and

1 for the accomplishment of the purposes intended to be accomplished by this
 2 chapter; and ~~however, nothing in this section is intended to authorize the~~
 3 ~~prohibition of, or sale or distribution, by a licensed pharmacist, of any serum, virus~~
 4 ~~or other product used in the prevention or treatment of swine diseases that has been~~
 5 ~~approved by the State Board of Agriculture.]~~

6 (5) Employ necessary scientific, field, stenographic and clerical assistants and fix their
 7 salaries.

8 ➔ Section 4. KRS 257.040 is amended to read as follows:

9 No person who has in his possession any domestic animal infected with a
 10 reportable~~communicable~~ disease shall:

- 11 (1) ~~[Knowingly]~~ Permit such an animal to run at large;
- 12 (2) ~~[Knowingly]~~ Keep such an animal where other domestic animals, not affected with
 13 or previously exposed to the disease, may become infected with or exposed to it;
- 14 (3) ~~[Knowingly]~~ Permit such an animal to go on, across or along any public highway,
 15 or in any field or lot adjacent to any public highway, or in any field through which
 16 flows a stream; or
- 17 (4) Transport~~[Except upon a special permit from the board, ship, drive, haul]~~, sell,
 18 offer for sale, trade or give away such an animal, except upon permission or
 19 approval from the state veterinarian.

20 ➔ Section 5. KRS 257.050 is amended to read as follows:

21 No person shall willfully obstruct, evade or disregard any quarantine which the board
 22 declares, or violate any regulation for the prevention of the spread of communicable
 23 diseases among livestock, poultry, and fish, or conceal or attempt to conceal an animal
 24 infected with or exposed to a communicable disease.

25 ➔ Section 6. KRS 257.060 is amended to read as follows:

- 26 (1) Except upon permission or approval from the state veterinarian, no person~~;~~
 27 ~~except a common carrier]~~ shall:

1 **(a) Transport**~~[ship, drive, haul]~~ or in any other way bring into this state **an**~~[any]~~
 2 animal that is infected with a communicable disease or that has within the
 3 previous thirty (30) days been exposed to a communicable disease;~~[;]~~ or~~[shall]~~
 4 ~~in any way]~~

5 **(b)** Bring into this state any animal in violation of any order or regulation of the
 6 board that establishes an interstate quarantine to prevent the entrance of
 7 disease into this state.

8 (2) No common carrier shall transport any~~[domestic]~~ animal into this state in violation
 9 of law or regulations of the board.

10 ➔ Section 7. KRS 257.070 is amended to read as follows:

11 (1) The movement of domestic animals from other states into this state shall be made
 12 only in compliance with regulations of the board.

13 (2) Any animal brought into this state in violation of any regulation of the board shall:

14 **(a)** Be placed in quarantine~~[and so held]~~ until the necessary inspection or test has
 15 been completed by a representative or agent of the board. All expenses
 16 incident to the quarantine, including the inspection and testing, shall be borne
 17 by the owner; **or**

18 **(b) Be removed from the state at the direction of the state veterinarian.**

19 ➔ Section 8. KRS 257.080 is amended to read as follows:

20 ~~[(1)]~~ Every veterinarian, **laboratory,** owner, or person having knowledge of the
 21 existence of any **reportable**~~[communicable]~~ disease of livestock, **poultry, or fish** within
 22 the state shall immediately report the disease to the~~[county livestock inspector of the~~
 23 ~~county in which the disease exists, or to the]~~ state veterinarian. **The department shall**
 24 **promulgate administrative regulations listing all reportable diseases of livestock,**
 25 **poultry, and fish and setting out the conditions under which the diseases shall be**
 26 **reported**

27 ~~[(2)]~~ This report shall be in writing and shall include a description of the animal, the

1 ~~name and exact post office address of the owner, the location of the animal, the~~
 2 ~~number of susceptible animals exposed to the disease and the number of animals~~
 3 ~~that have died of the disease].~~

4 ➔ Section 9. KRS 257.100 is amended to read as follows:

5 (1) Any peace officer, animal control officer, or any person authorized by the
 6 board~~[officer of the accredited Humane Society or Society for the Prevention of~~
 7 ~~Cruelty to Animals]~~ may destroy or kill or cause to be destroyed or killed, any
 8 animal found abandoned and suffering and not properly cared for, or appearing to
 9 be injured, diseased, or suffering past recovery for any useful purpose.

10 (2) Before destroying the animal the officer shall obtain the judgment to that effect of a
 11 veterinarian, or of two (2) reputable citizens called by him to view the animal in his
 12 presence, or shall obtain consent to the destruction from the owner of the animal.

13 (3) (a) Any animal placed in the custody of a licensed veterinarian for treatment,
 14 boarding, or other care, which shall be unclaimed by its owner or his agent for
 15 a period of more than ten (10) days after written notice by certified mail,
 16 return receipt requested, is given the owner or his agent at his last known
 17 address, shall be deemed to be abandoned and may be turned over to the
 18 nearest humane society or animal shelter or disposed of as the custodian may
 19 deem proper.

20 (b) The giving of notice to the owner, or the agent of the owner of the animal by
 21 the licensed veterinarian shall relieve the licensed veterinarian and any
 22 custodian to whom the animal may be given of any further liability for
 23 disposal.

24 (4) ~~[For the purpose of this section, the term "abandon" means to forsake entirely, or to~~
 25 ~~neglect or refuse to provide or perform the legal obligations for care and support of~~
 26 ~~an animal by its owner, or his agent.]~~Abandonment shall constitute the
 27 relinquishment of all rights and claims by the owner to the animal.

1 ➔Section 10. KRS 257.105 is amended to read as follows:

2 (1) In addition to KRS 257.100 or any other provision authorized by law, any
3 unclaimed animal held by a licensed veterinarian for more than ten (10) days of
4 veterinary care and treatment requested by the owner or lawful possessor of the
5 animal may be summarily sold by the veterinarian for the reasonable value of the
6 animal upon compliance with the procedures set forth in this section.

7 (2) The veterinarian under subsection (1) of this section shall give written notice of the
8 required payment for services performed and notice of the proposed sale of the
9 animal to the owner or lawful possessor of the animal and to any lienholders of
10 record by certified mail. If the whereabouts of the owner or lawful possessor of the
11 animal cannot be ascertained with reasonable diligence, a notice of the proposed
12 sale shall be published in a newspaper, qualified under KRS 424.120, circulated in
13 the county where the animal is located at least ten (10) days preceding the sale. The
14 notice shall state the amount due and the date, place and time of sale.

15 (3) The proceeds of a sale under this section shall first be used to reimburse the
16 veterinarian for an amount equal to the reasonable value of the veterinary care and
17 treatment, plus any other care and board given the animal; the excess amount, if
18 any, from a sale shall be paid to the owner or lawful possessor of the animal or to
19 other persons legally entitled thereto. If the proceeds from the sale fail to cover the
20 amount owed the veterinarian, the owner or lawful possessor of the animal shall
21 remain liable for the unpaid portion.

22 (4) A sale under this section shall not relieve the owner or lawful possessor of the
23 animal from any other obligation to the veterinarian.

24 (5) Any veterinarian making a sale provided for in this section shall make a sworn
25 statement setting forth the following:

- 26 (a) The kind and number of animals sold;
27 (b) The amount realized from any such sale;

- 1 (c) The amount claimed due by the veterinarian;
- 2 (d) The name of the former owner or lawful possessor requesting the care and
- 3 treatment performed by the veterinarian on the animal or animals sold;
- 4 (e) The dates when the treatment was commenced and was completed;
- 5 (f) The date or dates when notice of the proposed sale was given the owner or
- 6 lawful possessor of the animal or animals sold;
- 7 (g) The description or the identification number of the animal or animals sold,
- 8 and if branded, the brand thereon;
- 9 (h) The name and address of the veterinarian making the sale; and
- 10 (i) The name and address of the purchaser of the animal or animals sold.

11 The record shall be filed within five (5) days of the sale in the office of the county
12 clerk of the county in which the sale is made.

13 ➔Section 11. KRS 257.120 is amended to read as follows:

14 (1) Indemnities shall be paid by the state or federal government for animals mandated
15 to be destroyed or slaughtered on account of a reportable or United States
16 Department of Agriculture (USDA) program~~[communicable]~~ disease. The
17 indemnities shall be based on fair market value as determined by the USDA or
18 independent appraisal~~[, foot and mouth disease, glanders, contagious pleuro-~~
19 ~~pneumonia, bovine tuberculosis, Bang's disease, or maladie du coit or dourine, or a~~
20 ~~disease for which the United States government pays the amounts specified by the~~
21 ~~state and federal cooperative agreement.~~

22 ~~(2) Indemnity for Bang's reactors or exposed animals, if indemnity is available, shall be~~
23 ~~paid by the state or federal government in accordance with amounts specified by the~~
24 ~~state and federal cooperative agreement].~~

25 ~~(2) [(3)]~~ No state-funded indemnity shall be paid for any animal unless it was the
26 property of the person claiming indemnity, and was within the state, for a period of
27 at least six (6) months prior to the time of the first test, except when animals are

1 destroyed or slaughtered on account of a foreign animal or zoonotic
 2 disease~~[aphthous fever or foot and mouth disease, dourine, glanders or contagious~~
 3 ~~pleuro pneumonia]~~.

4 ~~(3)~~~~(4)~~ No indemnity shall be paid for any animal:

- 5 (a) Owned by the United States, the state or any county or city;
- 6 (b) Brought into this state in violation of the law or any regulation of the board;
- 7 (c) When the owner at the time of coming into possession of the animal had any
 8 reason to believe that it was infected; or
- 9 (d) When the board or its authorized agents have satisfactory evidence that the
 10 owner has been guilty of negligence in permitting the animal to become
 11 exposed to the communicable disease.

12 ➔Section 12. KRS 257.130 is amended to read as follows:

13 In case of an epizootic of such character as to necessitate the destruction of property or
 14 materials to prevent the spread of disease, the property or materials shall be destroyed and
 15 indemnities paid as provided for in KRS 257.110, 257.120, 257.140, and 257.150~~[for the~~
 16 ~~destruction or slaughter and the payment of indemnities for animals]~~.

17 ➔Section 13. KRS 257.150 is amended to read as follows:

18 After carcass disposal, cleaning, and disinfection has been completed~~[and the carcass~~
 19 ~~has been disposed of]~~, the board shall execute a voucher upon the Finance and
 20 Administration Cabinet for the amount of the indemnity due the owner, for payment from
 21 funds appropriated for this purpose. The voucher shall be approved by the state
 22 veterinarian and the chairman of the board. When the check for payment is issued by the
 23 State Treasurer, he shall forward it to the chairman of the board who shall pay it to the
 24 owner.

25 ➔Section 14. KRS 257.160 is amended to read as follows:

- 26 (1) All carcasses of domestic livestock, poultry, and fish which have died or which
 27 have been destroyed on account of any disease, except as determined and permitted

1 ~~by those destroyed on account of tuberculosis and slaughtered under the supervision~~
 2 ~~of~~ the state veterinarian or other representative of the board, shall be disposed of
 3 by:

- 4 (a) Complete incineration of the entire carcass and all of its parts and products;
 - 5 (b) Boiling the carcass and all of its parts and products in water or heating it with
 6 steam at a temperature above boiling, continuously for two (2) hours or more;
 - 7 (c) Burying the carcass and all of its parts and products in the earth at a point
 8 which is never covered with the overflow of ponds or streams and which is
 9 not less than one hundred (100) feet distant from any watercourse, sinkhole,
 10 well, spring, public highway, residence, or stable. The carcass shall be placed
 11 in an opening in the earth at least four (4) feet deep, the abdominal and
 12 thoracic cavities opened wide their entire length with a sharp instrument, and
 13 the entire carcass covered with two (2) inches of quicklime and at least three
 14 (3) feet of earth.
 - 15 (d) Removal of the carcass by a duly-licensed rendering establishment;
 - 16 (e) Deposition of the carcass in a contained landfill approved pursuant to KRS
 17 Chapter 224;
 - 18 (f) Composting of the carcass in a facility according to the board's administrative
 19 regulations and approved in accordance with KRS Chapter 224;
 - 20 (g) Any combination of the methods set forth in paragraphs~~[subsection]~~ (a) to (f)
 21 of this subsection~~[section]~~; or
 - 22 (h) Any other scientifically-proven method of disposal approved by the board.
- 23 (2) The owner shall dispose of the carcass of domestic livestock, poultry, and fish as
 24 provided in subsection (1) of this section, within forty-eight (48) hours after the
 25 carcass is found unless the carcass is otherwise preserved in cold storage.
- 26 (3) The board is authorized to promulgate administrative regulations to implement this
 27 section.

→ Section 15. KRS 257.170 is amended to read as follows:

An animal carcass~~[Carcasses of animals]~~ shall not~~[under any circumstances]~~ be loaded in cars, crates, boats, wagons or other vehicles containing live animals, except on special permit from the state veterinarian.

→ Section 16. KRS 257.300 is amended to read as follows:

The board may cooperate with~~[the Bureau of Animal Industry of]~~ the United States Department of Agriculture and with officials in charge of livestock, **poultry, and fish** sanitation in other states, or with any other agency that, in the opinion of the board, is for the best interests of the livestock, **poultry, and fish industries**~~[industry]~~, in maintaining interstate quarantine and in the prevention, control and eradication of any communicable disease in livestock, **poultry, and fish**.

→ Section 17. KRS 257.480 is amended to read as follows:

It is the legislative policy that every Kentucky citizen exert the maximum local effort to enforce the livestock, ~~[and]~~ **poultry, and fish** disease control programs in KRS 257.010 to KRS 257.470 and provide protection to the citizens and livestock, **poultry, and fish** of the Commonwealth.

→ Section 18. KRS 257.490 is amended to read as follows:

(1) The Commissioner~~[state veterinarian]~~ shall have the power to **employ persons to serve**~~[designate certain employees of the Division of Animal Health]~~ as peace officers~~[for the purpose of enforcing the provisions of this chapter]~~. **All persons employed as peace officers by the department shall meet the qualifications set forth in KRS 15.380 to 15.404 concerning officer certification and training.**

(2) Officers employed by the department shall have full powers as peace officers and shall be limited to the enforcement of Department of Agriculture statutes and administrative regulations, except when it is necessary to enforce provisions of KRS Chapter 514 related to theft cases involving animals, provisions of KRS Chapter 516 related to forgery of animal health certificates, or provisions of KRS

1 **Chapter 525 related to animal cruelty, mistreatment, or torture.**

2 **(3) The department shall establish and maintain an operational procedures manual**
3 **outlining specific actions to be taken by officers pursuant to this section.**

4 ➔ Section 19. KRS 257.600 is amended to read as follows:

5 The Department of Agriculture shall promulgate regulations governing the feeding of
6 ~~untreated~~] garbage to swine~~[in order to prevent the transmission of viral, bacterial or~~
7 ~~parasitical diseases to man or animals. A permit may be required of any individual~~
8 ~~feeding garbage to swine. The department may charge a maximum fee of ten dollars (\$10)~~
9 ~~for the issuance of a permit].~~ The department may conduct such inspections as are
10 required to enforce this section.

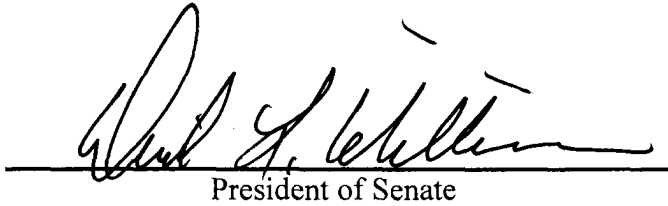

11 ➔ Section 20. The following KRS sections are repealed:

12 257.115 Retest for brucellosis -- Application, effect of negative finding.

13 257.260 State livestock inspector.

14 257.310 Birds that carry disease to be destroyed.
